## PLEASE READ APPLICATION CLOSELY

**We have adopted the USFSA Basic Skills Chevrolet Compete with U.S. Program. It is important for the Basic Skills instructors to pay close attention to the elements of all the basic skills levels.**

**PURPOSE:** The Euclid "CELEBRATE SKATING" Competition is held in an effort to stimulate interest in the basic skills of ice-skating and to provide a competitive experience for as many skaters as possible. We encourage your participation.

**ENTRIES:** If there are less than two (2) entries in any event, the Euclid Blade & Edge FSC shall decide whether or not to conduct the event. In case of a large number of entries in any event, skaters will be divided into groups according to age. There will be separate events for boys & girls in the Beginner, Pre-Preliminary and Preliminary compulsory and free skating events, as long as there are 2 or more entries.

**ELIGIBILITY:** Skaters who are currently registered and participating in an accredited or adapted Learn-To-Skate program or skaters who are currently taking private or semi-private lessons.

Skaters may skate at their free skating level or one level higher, **but not both** (Pre-Preliminary Freeskate and Preliminary Freeskate). Skaters may not compete below their test level after December 6, 2002.

First place winners (excluding Adults) of any event from the previous year (2002 Euclid "Celebrate Skating" Basic Skills Competition) are not eligible to compete at that level again. He or she must advance to the next higher event category regardless of their current test level.
