

Introduction to Pairs

Program:

This pilot program is being offered as a way for singles skaters to consider pairs as an additional discipline. Selected elite pairs coaches will offer on and off-ice instruction, discuss partner selection, practice partnering skills, as well as on-ice instruction. Coaches are encouraged to attend. There will be a special coaches section on how to begin pairs coaching and how to instruct a team. Eastern Great Lakes participants and local U.S. Figure Skating member skaters and coaches are encouraged to attend.

There is no charge to attend this program. Please complete the registration form below and plan on staying after the Eastern Great Lakes regionals.
