

Star Seminars Are Coming...!

IMG is proud to announce *Smucker's Stars on Ice Star Seminars* that are being offered in select cities this coming season. The *Star Seminars* will be staffed by National and International PSA Coaches, as well as former and current *Smucker's Stars on Ice* performers. The seminars will include instruction and classes on jump and spin techniques and basic skating skills through specialty classes such as Curry Class.

The purpose of the "*Star Seminars*" is to expand the *Smucker's Stars on Ice* experience and offer skating instruction at the highest levels from performers and current competitive top level coaches bringing students a much closer connection to all that is *Smucker's Stars on Ice*. All coaches involved in the *Star Seminars* have worked with figure skaters for many years and are fully knowledgeable about current competitive requirements and trends, including the new ISU Judging System.

Enrollment is being offered now in the following cities:

Denver, CO	Wednesday, January 19
St. Louis, MO	Thursday, January 27
Cleveland, OH	Thursday, February 3
Milwaukee, WI	Thursday, February 10
Fort Lauderdale, FL	Thursday, February 17
