MISSION STATEMENT: to give Colorado skaters a chance to develop their USFS Basic Skills in a fun, competitive environment.

AWARDS: During the competition season, skaters will have the chance to compete at five different arenas and earn points for a final standing. *Trophies will be awarded at the conclusion of the CSI Basic Skills competition on September 16th to the skaters with the highest point totals who compete in at least 3 of the 5 scheduled competitions FOR EACH LEVEL and a separate trophy for the winner of the Dance series.*

Freeskate and Elements/Compulsory Program Series Point System

A skater must enter **BOTH** Freeskating **AND** the Compulsory/Elements event in each of at least 3 of the 5 registered Series Basic Skills Competitions to be eligible for accumulating points. Each event will have a maximum of 6 skaters. **Both youth and adults may accumulate points!**

The system for scoring points for the trophies will be as follows:

1 st place	6 points
2 nd place	5 points
3 rd place	4 points
4 th place	3 points
5 th place	2 points
6 th place	1 point

If an event has 2-6 skaters, the points will be awarded as if there were 6 skaters in the group. If there is only one skater in the group, they will be awarded 3 points.

In case of a tie, the total number of skaters that the competitor has skated against will be the tie breaker.

All points follow the skater throughout the year so if a skater moves up to higher levels, the points follow them to the higher level.

Trophies will be awarded (1-3 place) in each level (Snowplow Sam through Freeskate 6). The trophies will be awarded to the skaters at their level as of the last competition in the series.

Please note: Spin, Dance, Pair, Theater on Ice, Synchronized team, and Showcase events will not be counted in the final standings. Beyond The Basics events will not be counted in the Freeskate and Elements/Compulsory Program series.

Solo Dance Series Point System

A skater must enter at least 1 solo dance event in at least 2 of the 5 registered Series Basic Skills Competitions to be eligible for accumulating points. Each event will have a maximum of 6 skaters

The system for scoring points for the trophies will be as follows:

1 st place	6 points
2 nd place	5 points
3 rd place	4 points
4 th place	3 points
5 th place	2 points
6 th place	1 point

If an event has less than 6 skaters, the points will be awarded as if there were 6 skaters in the group. If there is only one skater in the group, they will be awarded 3 points.

All points follow the skater throughout the year so if a skater moves up to higher levels, the points follow them to the higher level.

In case of a tie, the total number of skaters that the competitor has skated against will be the tie breaker.

One trophy will be awarded to the skater with the most points in this series.

Please note: ONLY dance events count in this series. This is a separate series from the Freeskate/Elements/Compulsory Program series.

Congratulations to last year's winners:

COMPETITION ANNOUNCEMENT

The **USFS Skate Colorado Basic Skills Competition Series** is sponsored equally by the 5 participating ice rinks and/or USFS member clubs. Competition packages will be available at all participating ice rinks and/or via the club or rink websites. Each competition will have its own entry forms and specific rules so please make sure to read the entire announcement for each competition.

ELIGIBILITY RULES FOR PARTICIPANTS

The competition is open to ALL skaters who are current eligible (ER 1.00) member of either the Basic Skills Program and/or are full members of US Figure Skating. To be eligible, skaters must have submitted a membership application or be a member in good standing. Members of other organization are eligible to compete, but must be registered with the host Basic Skills Program/Club or any other Basic Skills Program/Club.

Eligibility for each competition will be based on skill level as of the closing date of that competition. All SNOWFLOW SAM and BASIC SKILLS SKATERS THROUGH BASIC 8 must skate at the highest level passed and **NO** official US Figure Skating tests may have been passed including MITF or individual Dances.

Skaters in other events may skate at the highest level passed OR one level higher BUT not both levels in the same event during the same competition and **may have passed** Pre-Preliminary MITF. For events that are “Beyond the Basics” (Beginner, Pre-Preliminary, and Preliminary), the US Figure Skating Rulebook #1032 applies.

It is very important to the success of the series that skaters are placed in the correct divisions. If, for whatever reason, the local organizing committee discovers that a skater has been placed in a category that is below their class level, the chair and referee will have the option to move the skater to the proper division, even if this has to be done the day of the competition. This will ensure that every event is as fair as possible to the competitors.
