Hi SGA skaters!

Please be aware that for the UNRESTRICTED FREESKATE EVENTS and the SHORT PROGRAM EVENTS in both CHAMPIONSHIP and OPEN categories, we will be using the rules, required elements, and definitions of the well-balanced program requirements that will be in effect for 2007/2008 that were passed at USFSA Governing Council in May of 2007. Please make sure your programs match these requirements!

Thanks!

Lisa
