Up to 2 skaters on each team may represent 2 levels (ie representing both Juv. and Int.). Skaters may not compete on more than one team or in more than one team event. Each skater performs one element at a time and then returns to their team at their designated position on the ice. Each skater will perform the next element only when directed by a judge or referee. The skating order will start with all Beginner participants and proceed through each designated level through the Intermediate participants. A warm up will be given for Beginner through Preliminary before their elements. Next a warm up will be given for Pre Juvenile through Juvenile before their elements. Finally, a warm up will be given for Intermediate/Novice before they perform their elements. Skaters should dress warmly as they will be standing on the ice while others are skating.

Please check the event and mark the team leader's name on your form. Please note that the team leader must submit the special team entry form to include all teammates information.
