Technical skating skill and difficulty will not be rewarded as such; however, skating must be the major element of the performance and of sufficient quality to support the theatrical elements chosen. **Unintended falls, poorly executed skating elements and obvious losses of control will reduce contestants' marks.** Jump difficulty is not rewarded in showcase, therefore jumps, if choreographed, should be those performed with style, flow and confidence. Jumps should not be used but as the choreography requires. Theatrical elements evaluated will include: Energy, poise, acting, pantomime, eye contact, choreography, form, extension and the use of costumes, ice and props.

Open themes for each level. Skaters will provide their own music. Vocal music is allowed. A certain amount of jumping is permitted, but no credit is given unless the jumps contribute to the overall aesthetic value of the program. Skaters will be judged according to how well they interpret their theme. Artistry, originality, and creativity are emphasized. Props may be used to accentuate the performance. The skater is responsible for transporting the props on and off the ice. Thirty seconds will be allowed for this. Costumes are encouraged! **NOTE: Props will not be allowed on the warm-up.**
