

U.S. Figure Skating Learn to Teach Seminar

July 20, 2008

Are you a fairly new group class instructor and want to learn more about it? If you are a competitive skater, recreational skater or adult skater and want to start teaching Basic Skills classes at your local rink...this is the seminar for you! Minimum age is 14 years. Come learn about the tricks of the trade from qualified skating instructors. This is an off/on ice class to help you help your skaters.

The topics will include:

- how to make group classes fun and educational
- proper skill progression
- common errors and corrections of skating skills
- games to play on the ice with your skaters
- class organization
- safety/liability
- how to talk with parents
- how to evaluate skaters
- customer service and much more!

The fee for this workshop is \$35.00 per participant. Deadline is July 7th.
