WELCOME TO

Perform Like a Champion

Welcome to Dan Hollander Production Seminars. I have learned in my skating career that most successful skaters have been exposed to positive influences and are able to learn from many different people. I have also found that people always respond to comedy and laughter, which is why I not only perform that way, I also teach that way.

I have gathered together positive, knowledgeable, and exceptional people to teach at my seminars. We can help you with all aspects of skating: jumps, spins, edging, power, off ice, to name a few. You will not only walk away with a ton of information and new goals, but you will have had a good time doing it.

My seminars provide the best value for you and your skater. Our rates not only give your skater more time with every instructor, but also more instructional time on and off the ice for your money than other seminars out there. Skating is an expensive sport! So make the most out of your budget and pick a Dan Hollander Productions Seminar!

See you at the seminar!
Dan Hollander
