

Another opening, another show ...

Dear Ice Company Volunteer &

The lights dimmed, the curtain shimmered, and a voice echoed: Ladies and Gentlemen, Welcome to Ice Company ! We were all there at some time & most of the time & it seems ALL of the time and we are now part of an amazing alumnus that shares an unparalleled experience known as Southfield Ice Company.

Ice Company began in 1972 and performed to sell-out crowds for 30 consecutive years delighting audiences from all over the globe. It was a special time that has left us all with special memories!

In honor of the 50th anniversary of the City of Southfield and 30 wonderful years of Ice Company, we are gathering once more to celebrate, reminisce, tell stories, meet each other's spouses and children and acknowledge the common experience that we're sure all of us remember with great fondness and pride.

So, let's meet on Saturday, July 12, 2008 from 2:00 PM - 6:30 PM at the City of Southfield's beautiful historic sight - The Burgh! The city is generously providing the main dish, beverages and an incredible location. We just need to bring a dish to pass - you know the drill, it's like a 3-show Saturday! Oh, and don't forget to bring your photos to share & start digging through those boxes now!

Please take a moment to fill out the form below and mail it back to the address indicated. Or, if you like, just e-mail your response & but please include all of the information requested below. We would like to provide an alumni roster for everyone after the reunion.

As happens over the years, we have lost touch with many Ice Chorines and Ice Cavaliers. So, if you think we may have missed someone, please pass this letter along to them. With your help, we should be able to reach just about everyone!

On behalf of Ron Basten and The City of Southfield,
we sincerely hope you will join us for this festive occasion!
