A Competition in Theatrical Skating

August 13-15, 2009

**Hosted by: The Broadmoor SC, Inc.**

Colorado Springs, CO

Sanctioned by U.S. Figure Skating

## RULES AND INFORMATION

1. APPLICABLE RULES: The event is sanctioned and shall be conducted under Rules 1040, 1070 and US Figure Skating Guidelines of the current U.S. Figure Skating Rulebook, as a Special Competition. Generally, U.S. Figure Skating rules for non-qualifying competitions apply. Exceptions are as stated in this announcement.
2. ELIGIBILITY TO COMPETE:
  - a. U.S. singles contestants must have placed first, second, third or fourth in a contested theatrical event of a sanctioned competition during the preceding 12 months or in the immediately prior National Showcase. This includes interpretive, artistic, spotlight and showcase events. Representatives of other governing bodies, Duets (Pairs), Mini-Production Ensembles and Production Ensembles need not qualify. Skaters from other governing bodies must enter events at their ages and as closely approximating their test/ability levels as possible.
  - b. All entry qualifications must be attained as of the entry closing date; subsequent changes in age or test level will not affect entry.
  - c. Those eligible under U.S. Figure Skating Rules, reinstated skaters and representatives of other governing bodies may compete.
  - d. Junior and Senior singles whose qualifying events have been canceled for lack of entries may submit a testimonial letter from the qualifying competition chair or registrar in fulfillment of qualification.
3. SHOWCASE EVENTS--BASIS OF JUDGING:
  - a. Performances will be judged for theatrical and artistic qualities, from an entertainment standpoint.
  - b. Technical skating skill and difficulty will not be rewarded as such; however, skating must be the major element of the performance and of sufficient quality to support the theatrical elements chosen.
  - c. ***Unintended falls, poorly executed skating elements and obvious losses of control will reduce contestants' marks.***
  - d. Jump difficulty is not rewarded in showcase, therefore jumps, if choreographed, should be those performed with style, flow and confidence. Jumps should not be used but as the choreography requires.
  - e. Theatrical elements evaluated will include: Energy, poise, acting, gestures, eye contact, choreography, form, extension, and the use of costumes, ice and props.
  - f. One performance mark will be assigned each performance by each judge. No technical skating mark will be used.
4. OFFICIALS: Officials will be selected from the U.S. Figure Skating lists of qualified officials.
5. EVENTS: Singles skaters, once qualified in an event, may enter any or all events for which they meet age and test requirements. Singles need not qualify separately for multiple events. Duets need not qualify but must meet test requirements stated in No. 6. No qualification is required for group events.
6.
  - a. Singles Events will be:
    - i. Dramatic Entertainment: A serious, emotional, artistic interpretation,
    - ii. Light Entertainment: Any performance not serious enough to be considered dramatic,
    - iii. Extemporaneous Improvisation: A performance choreographed by the unaided contestant during a 30 minute, off ice warm-up to music supplied by the competition. A 3-minute, full ice warm-up will also be provided. All contestants in a group will use the same music. Warm-ups will be conducted under house lights; competition will take place under spotlights where possible.

- b. Duet and Ensemble Events will be:
- Duet: A theatrical performance by any two contestants.
  - Mini Production Ensemble: A theatrical performance by three to seven contestants.
  - Production Ensemble: A theatrical performance by more than seven contestants. Theatre On Ice teams are eligible to compete in this category.
- c. **Singles contestants may enter events only at their ages and test levels.** The highest ranked member of a duet determines duet levels. Ensembles are without test requirements. Contestants may enter only one duet, one mini and one production ensemble each.
