General Rules:

Competition Format: Solo events will be subdivided by age bracket as follows: Ages 9 and under, Ages 10-12, Ages 13-18, Ages 19 and up. Adults 19 years and older will compete in separate events in most divisions unless they chose to compete with skaters under 19 years of age. Entertainment teams will not be separated by age. Synchronized teams will be separated according to the rules as specified. Adults choosing to skate with skaters younger than 19 years of age must so indicate on their registration form. At Badger State Games discretion, any age bracket that has less than 5 competitors may be combined with another age bracket for the competition. Where the number of participants in any subdivision of a level exceeds 15 skaters there will be a qualifying round. The top three skaters from the qualifying round will skate in a final round. Where no qualifying round is required the initial round will be the final round. Winners of the final and/or qualifying rounds will qualify for State Games of America. Except where specifically allowed, participants may not enter more than once in the same division. Participants must be a resident of the State of Wisconsin. Except where rules herein specifically differ, USFS rules, as set forth in the 2009-2010 Official USFS Rulebook, will preside.

Judging: USFS ordinal scoring method with separate marks for technical elements and for program components. Judging will be by USFSA judges for the Solo Free Skate, Short Program, Footwork, Moves, Synchronized Team, and Dance events. Judging for the Artistic, Entertainment, and Interpretive events will be by local volunteers with expertise in related theatrical and entertainment fields and/or USFSA judges.

Music: Except for the Dance, Interpretive, and Moves events, skaters must provide their own music. Vocal music is permitted. Only CDs with a single piece of music will be permitted. Programs are allowed a ten-second leeway from the designated times except where indicated otherwise. The Badger State Games will make every effort to protect your music but will not be responsible for CDs. Competitors should have duplicate music with them. Please pick up your music at the registration desk after your event.

Governing body: This is a USFSA sanctioned event but membership in the USFSA is NOT required. Registered members of the USFSA and ISI must be in good standing.

Divisions:**SOLO FREE SKATE SHORT PROGRAM**

- Skaters who placed first in their Short Program in the 2009 Badger State Games must move up one level from the level in which they placed first. This does not apply to qualifying rounds, if there were any, to the senior level, or to skaters who skated without a competitor (ie, skated against the book).

Skaters will perform specific maneuvers to music of their own choice. Skaters must enter at the same or any higher level than their solo Free Skate event (unless the skater is up one level in free skate due to placing first in that event in 2009), or if a solo event is not skated, at the same or higher level than they would have been required to skate had they entered a solo event. Skaters having passed the complete USFS Pre-Preliminary test and/or ISI Free Skate 3 MUST skate at their USFS or ISI test level or higher. Skaters may not repeat jumps or spins, or include any additional jumps or spins. Deductions will be made for added, missed, or incorrect elements. Connecting footwork and choreography are encouraged. **Skaters may skate less than the time allotment but not more.**
