July 7-11, 2010

Kern Center

**Milwaukee School of Engineering
Milwaukee, Wisconsin**

IJS Scoring System for Juvenile-Senior Short and Free Skate Programs
Free Skate critiques with officials for Juvenile-Senior

*****Special Guest Official and Seminar Presenter*****

Alexander Lakernik

***Chair of the Singles and Pairs Technical Committee for the
International Skating Union***

Mr. Lakernik will serve as Lead Technical Controller at [Skate Milwaukee 2010](#) and will also conduct the Friday evening seminar : "[Understanding the New ISU Technical Changes in Rules and Clarifications of those Rules](#)".

Mr. Lakernik will be available for direct feedback on competitive programs, and suggestions for enhancing the technical value of elements.

This is a rare and special opportunity to hear and understand all the new changes of ISU rules.

Also officiating and presenting seminars will be [Charlie Cyr](#), [Joe Inman](#), and [Gale Tanger](#). They will present the seminar: "[Updates on Enhancing Your Component Marks](#)."

Additional officials include a special list of ISU and National level officials.
Registration deadline is June 1, 2010.

Application and Announcement available on WFSC website: www.wisconsinfsc.org
or contact Kristen Fogtman-Faust at kristen@wi.rr.com or SkateMilwaukee@wisconsinfsc.org
