

HOW TO REGISTER FOR COMPETITION USING SK8STUFF.COM

Online registration allows you to get your information more accurately (your name will be spelled correctly...) and more quickly. When you register online the club has your information the instant you click the Submit button. When you register online you will still need to send in your check along with the payment coupon (with signatures) printed by the online registration system.

Visit sk8stuff.com

Find Competition

- see left column "Online Register or PI" area

Click on competition

Go to Entry Page

- click on "Register Online for this Competition"

Fill It out Completely

- click the Review button;
- Verify your information on the Review screen, then click the [Send Registration] button

Write your PIN Number Down

- you will need this later to log into the site for Practice Ice

Print Receipt/Verification Page

Mail Check with Entry Page/Verification Form to Competition address

- You may log on anytime after this to check whether the club has received your payment
- You may log on anytime after this to reprint your Payment Coupon (if needed)

Check the Club Website or sk8stuff.com for schedule/practice ice information

- After schedule is published you will be able to log on and reserve PI (if applicable)

IJS Competitors.....remember to send your Planned Program Content Sheet (PPCS) to each competition. Many competitions are charging a fee if these sheets are not turned in!

To fill out your Planned Program Content Sheets online, go to the [USFSA Members Only](#) area and log in using your USFSA number (you can get to the logon screen from the link in the blue Member Services box on their main page). Once there, click on the **Event Reg. and Info** link in the left bar, then click on **Event Manager**. A bunch of flyout menu items will appear, one of which is **Program Content**. Click that one and you're on the page where you can select the competition you want, then enter your program info.
