ARTISTIC SHOWCASE

Performances will be judged for theatrical and artistic qualities, from an entertainment standpoint. Technical skating skill and difficulty will not be rewarded as such; however, skating must be the major element of the performance and of sufficient quality to support the theatrical elements chosen. **Unintended falls, poorly executed skating elements and obvious losses of control will reduce contestants' marks.** Jump difficulty is not rewarded in showcase, therefore jumps, if choreographed, should be those performed with style, flow and confidence. Jumps should not be used but as the choreography requires. Theatrical elements evaluated will include: Energy, poise, acting, pantomime, eye contact, choreography, form, extension and the use of costumes, ice and props.

Open themes for each level. Skaters will provide their own music. Vocal music is allowed. A certain amount of jumping is permitted, but no credit is given unless the jumps contribute to the overall aesthetic value of the program. Skaters will be judged according to how well they interpret their theme. Artistry, originality, and creativity are emphasized. Props may be used to accentuate the performance. The skater is responsible for transporting the props on and off the ice. Thirty seconds will be allowed for this. Costumes are encouraged! **NOTE: Props will not be allowed on the warm-up.**

"Skaters placing fourth and higher in Preliminary and higher artistic/showcase solo events including adult events may be qualified to enter the next U.S. Figure Skating National Showcase. Please contact Melissa Bowman (patinage_tx@verizon.net), Vice Chair for National Showcase for further information."

The competition is open to ALL skaters who are current eligible (ER 1.00) members of either the Basic Skills Program and/or are full members of U.S. Figure Skating. To be eligible, skaters must have submitted a membership application or be a member in good standing. Members of other organizations are eligible to compete but must be registered with the host Basic Skills Program/Club or any other Basic Skills Program/Club.

Eligibility will be based on skill level as of closing date of entries. All SNOWPLOW SAM and BASIC SKILLS SKATERS THROUGH BASIC 8 must skate at highest level passed and NO official U.S. Figure Skating tests may have been passed including MIF or individual dances.

For the Free skate 1-6, Test Track and Well Balanced levels, eligibility will be based only upon highest free skate test level passed (moves in the field test level will not determine skater's competitive level). Skaters may skate at highest level passed OR one level higher BUT not both levels in the same event during the same competition.
