Practice Ice Information

Follow these steps to reserve your practice time online:

1. Fill out this form and mail, with your payment, to the address shown below.
2. Once received, you will be sent an email with a link and PIN to access the practice ice sessions.
3. Logon to the website with your name and PIN and choose your sessions (designated by level and discipline).
4. If you pre-pay for sessions and fail to reserve them online, your pre-payment may be applied to sessions purchased at the Practice Ice desk during the competition.

A schedule of practice ice sessions will be published online when the competition schedule is available. To ensure a fair chance for everyone, online reservation capability will be “turned on” at a date/time which will be published when the competition schedule is complete. This “turn on” time will be early evening and at least 24 hours after the publication of the schedule. Online reservation capability will be turned off the day prior to the first scheduled practice sessions.

Sessions will be available Friday and Saturday, and all sessions are 30 minutes long, \$10.00 per session. There is no refund for prepaid sessions, even if not used. You may only reserve sessions appropriate to your entry. This will not be verified at the time of the reservation however, if you are found to be practicing on an inappropriate session, the monitor may remove you from the session without refund.

Checks should be made payable to: Lansing Skating Club. You must include a valid email address so that we may send you your private PIN number. Do not share your PIN with anyone (neither LSC staff nor sk8stuff.com are responsible for reservation changes made online by “authenticated users”). Practice ice payments are not refundable.
