Advanced registration is not required. 20 skaters will be allowed on the ice during any one session. No music will be played.

Music

To make our competition run smoothly, we are once again proud to use ICEtrax music system.

ICEtrax is similar what is already in place at the standard U.S. National Championships, the World Championships, and other elite competitions where all skaters' music is uploaded to a computer and played from that computer program, thus eliminating most common CD errors such as skipping due to scratches, varying volume, CDs that can't be read, etc.

All competitors competing in events where a CD of music would be provided for their program are **REQUIRED to download their music at www.icetrax.net by December 1, 2012** (PDF upload instructions attached.)

If you are experiencing any difficulty ICEtrax will make sure your music is uploaded; contact an ICEtrax representative at 248-535-4750 or by email at: info@icetrax.net. There is NO FEE to upload your music.

All competitors are still required to turn in a CD of their music at registration check-in for back-up.

Registration

Registration will begin one hour before the start of competition. Skaters will not be allowed to compete unless they have checked in at the registration table, music has been submitted and all fees and signatures have been paid.

Facilities

The John Lindell Ice Arena is located at 1403 Lexington Blvd., Royal Oak, Michigan 48073 The arena telephone number is (248) 246-3950. There is ample seating for spectators.
