2013 Michigan Basic Skills Series Competition Mission Statement

To give our skaters a chance to develop their USFS Basic Skills in a fun competitive environment. During the competition season - skaters will have the chance to compete at many different clubs and arenas and earn points for a final standing.

A skater may participate in either Freeskating and/or Compulsory/Elements events in any of the Michigan Basic Skills Series Competitions to be eligible for accumulating points. Awards will be presented to skaters with the highest point totals. These awards will take place - on the ice - at the Midland Competition - November 2, 2013

Series Point System

The Freeskating events and the Compulsory/Elements events in each of the Series Competitions will be eligible for accumulating points. Each event will have a maximum of 6 skaters. The system for scoring points for the final award will be as follows:

1 st Place	6 points
2 nd Place	5 points
3 rd Place	4 points
4 th Place	3 points
5 th Place	2 points
6 th Place	1 point

If an event has 2-6 skaters, the points will be awarded as if there were 6 skaters in the group. If there is only one skater in the group, they will be awarded 3 points. At the end of the Series, in the case of total points tied, all skaters tied for a place will be awarded a medal, no ties will be broken.

Points are accumulated for Compulsory and Free Skate events separately.

Medals will be awarded (1-3 Place) in each level as highlighted in each announcement. Beyond the Basics **will NOT** be counted in the Freeskate and Elements/Compulsory Program Series for this 2013 season. Spins, Dance, Pairs, Theatre On Ice, Synchronized Teams, and Showcase Events **will Not** be counted for this 2013 season.

At the end of the 2013 Series Season any skaters who moved up a level will be awarded 6 bonus points [6 points only whether they move up one level or more]. All points follow the skater throughout the year.

Please Note: The USFS Michigan Basic Skills Series is sponsored equally by all the participating ice rinks and/or USFS member clubs. Competition announcements and packages will be available at all participating ice rinks and/via the club or rink websites as well as www.sk8stuff.com. Each competition will have its own entry forms and specific rules - so please make sure to read the entire announcement for each competition.

ARTISTIC/SHOWCASE EVENTS:

Artistic and Showcase events are open to skaters in Basic, Free Skate, Limited Beginner through Preliminary and Adult Bronze. Groups will be divided by number of entries and ages if possible. Skaters must enter at the same level as their free skate event or highest test level of skater's in the group ensemble or production number. If a free skate event is not being entered, skaters must enter at their current test level or one level higher. Vocal music is permitted.

Show costumes are permitted, as long as they do not touch or drag on the ice. Props and scenery must be placed and removed by unaided singles and duet competitors within one minute and by unaided ensemble contestants within two minutes for setup and two minutes for removal. A .2 deduction will be assessed by the referee against each judges' mark for each five seconds in excess of the time allowed for the performance, for handling props and scenery and for scenery assistance.

Performances will be judged from an entertainment standpoint, for theatrical and artistic qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements. Unintended falls, poorly executed skating elements and obvious losses of control will reduce contestant's marks. Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence. Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form/extension and the use of props and ice.

6.0 Judging will be used. Deductions will be made for skaters including technical elements not permitted in the event description.
