

The 2014 medals were handed out in Kalamazoo at the Tri State Free Skating Championships. A total of 61 medals were awarded. A total of twelve skaters were present to receive the medals. The turnout was better this year thanks to a few clubs that stayed around for the awards. Awards were given after the last Test Track event. The test Track events had a total 32 skaters. This is the third year of the Test Track Series.

The current supply we have on hand is 1st 31 medals, 2nd 26 medals, 3rd 23 medals and 4th 46 medals. This is the first year we handed out to fourth place. Since the medals are the same we have ribbons if we need to change to a different placement.
