SURVIVOR*NEW !!!*****

Please Note: The registration fee for this event is \$20.00 no matter how many events a skater has entered.

Skaters in each level will compete to see who can hold the longest spiral, spin, and landing position. An overall winner will be determined at each level by adding “duration of spiral in seconds” + “duration of spin in seconds” + “duration of landing position in seconds”. The skater with the highest total wins. Boys may compete against girls in this event. Coaching from the sidelines will be permitted during this event.

Spirals will be skated one at a time and will be timed by two officials with stopwatches. Timing will begin when the free leg reaches a parallel position and will stop when it falls below parallel. No change of foot is allowed. No catch foot is allowed. Proper edge must be maintained in levels pre-juvenile through senior or no credit will be given for the spiral. The official time will be the average of the two officials’ recorded times.

Spins will be skated one at a time. Any spin, including combination spins with one change of foot are allowed. Timing of the spin will begin when the skater steps on the spinning foot and will end when the skater falls or steps out of the spin, in the manner as described above.

Jumps will be skated one at a time. Jumps will be timed beginning at the attainment of an acceptable landing position and will stop when the landing position breaks. The official time will be determined by the method described above. A fall results in a time of zero seconds. No retries will be allowed.

MUSIC INTERPRETATION

Music Interpretation consists of a single program **composed/choreographed entirely by the skater**, demonstrating ability to interpret music by combining moves, turns, footwork, jumps and spins. During warm-up, skaters are not to converse with coaches, parents or friends. There will be one minute without music, followed by three minutes with the selected music played twice. Skaters will finish the warm-up and be led to a locker room, where there will continue to be no communication with coaches, parents and friends. Each skater will hear the music a third time with his/her back to the ice at rink side while the prior competitor is performing. The judges will be marking on the interpretation of the music. Guest judges may judge this event.

Judging Rules:

Skaters are judged on originality, pattern, technical (the ability to include jumps and spins) and music interpretation/expression.

Spins and jumps performed must be appropriate to competition level.

Coaching: There is to be no instruction allowed during this event from coaches, parents, or fellow skaters. Staging area must be kept clear except for ice monitor and listening competitor.

SHOWCASE

Skaters must enter at the same level as their free skate event. If a free skate event is not being entered, skaters must enter at their current test level or one level higher. Groups will be divided by number of entries and ages if possible. Vocal music is permitted. Show costumes are permitted, as long as they do not touch or drag on the ice. Props and scenery are allowed. The 6.0 judging system will be used. One mark will be awarded by each judge for each competitor. Deductions will apply for negligence relating to: costumes, props, program times.

Showcase programs utilize emotional qualities from either dramatic or light entertainment. Skaters will use their skating skills to express their musical interpretation. Performances will be judged from an entertainment standpoint, for theatrical and artistic qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements. Unintended falls, poorly executed skating elements and obvious losses of control will reduce contestant's marks. Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence. Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form and extension.

* For specific guidelines regarding the conduct of Showcase competitions, refer to the Nonqualifying Showcase Guidelines posted on www.usfigureskating.org. Competitors at the preliminary through novice levels at this event who place first, second, third or fourth in a contested showcase/artistic/theatrical/interpretive skating event at a sanctioned nonqualifying competition will receive an invitation to compete at the National Showcase Competition held each August. For more information, contact Melissa Bowman, National Vice Chair for National Showcase at patinage_tx@verizon.net
