In the summer of 1996, God began to move in the hearts of a handful of people to start a creative new church in Flushing. In January of 1997, Pastor Darrel Harvey and his family moved from Cincinnati to the Flushing area to begin this new ministry and by the following fall eight families had responded to God's call to begin this new church.

The church was officially launched on March 28, 1999 initially meeting at the Crouse Instructional Center. Through the years we've met in various places but always had the same drive to be a relevant voice of God's love to the community of Flushing and the surrounding area.

Our church was blessed and grew quickly and in the fall of 2003 we moved into our new multi-functional facility here on Pierson Road. Over these wonderful years, we have experienced some wonderful days and some deep struggles. Through it all, we've seen God's loving arms reaching down to us offering love, hope and purpose.

Pastor Terry Bate became our Lead Pastor in 2009 and God has called a fantastic staff to join him in leading our church into the future. By God's grace, the next exciting page of our story is still being written. Will you join us to see what God has in store for our journey together? We really hope that you will! Feel free to contact any member of our staff with questions you have about FCC and be sure to explore how you can be involved.

intentional

Adjective: Done on purpose; deliberate.

*We are so honored & glad you are here!*

**January 12, 2014**

Today is going to be a great day to experience the power of God. We are excited that you have chosen to join us on this Sunday morning! You find yourself in a safe place today to engage your faith and your questions.

This morning, Pastor Terry begins a new series that will be revisited throughout the year. Intentional - an adjective meaning done on purpose, deliberate. We can't accomplish anything great without working toward that goal with great intentionality. Whether it's your sales goal for the year, completing a class or degree, or losing weight we have to live intentionally. How might this concept also impact our spiritual journey?

Grab some coffee, find a comfortable seat and open your heart to the work of God today. Sing with us. Pray with us. Stay with us!
