2014 Michigan Basic Skills Series Competition Mission Statement

To give our skaters a chance to develop their USFS Basic Skills in a fun competitive environment. During the competition season – skaters will have the chance to compete at many different clubs and arenas and earn points for a final standing.

A skater may participate in either Freeskating and/or Compulsory/Elements events in any of the Michigan Basic Skills Series Competitions to be eligible for accumulating points. Awards will be presented to skaters with the highest point totals. These awards will take place - on the ice - at the Midland Competition - November 2, 2013

<u>Series Point System</u>

The Freeskating events and the Compulsory/Elements events in each of the Series Competitions will be eligible for accumulating points. Each event will have a maximum of 6 skaters. The system for scoring points for the final award will be as follows:

| awara wili de | as tonows: |
|-----------------------|------------|
| 1 st Place | 6 points |
| 2 nd Place | 5 points |
| 3 rd Place | 4 points |
| 4 th Place | 3 points |
| 5 th Place | 2 points |
| 6 th Place | 1 point |
| | |

If an event has 2-6 skaters, the points will be awarded as if there were 6 skaters in the group. If there is only one skater in the group, they will be awarded 3 points. At the end of the Series, in the case of total points tied, all skaters tied for a place will be awarded a medal, no ties will be broken.

Points are accumulated for Compulsory and Free Skate events separately.

Medals will be awarded (1-3 Place) in each level as highlighted in each announcement. Beyond the Basics <u>will NOT</u> be counted in the Freeskate and Elements/Compulsory Program Series for this 2014 season. Spins, Dance, Pairs, Theatre On Ice, Synchronized Teams, and Showcase Events <u>will NOT</u> be counted for this 2014 season.
At the end of the 2014 Series Season any skaters who moved up a level will be awarded 6 bonus points [6 points only whether they move up one level or more]. All points follow the skater throughout the year.

Please Note: The USFS Michigan Basic Skills Series is sponsored equally by all the participating ice rinks and/or USFS member clubs. Competition announcements and packages will be available at all participating ice rinks and/via the club or rink websites as well as <u>www.sk8stuff.com</u>. Each competition will have its own entry forms and specific rules - so please make sure to read the entire announcement for each competition.
