## EVENT: Showcase Events – Interpretative Events

Format: Interpretive is a performance choreographed by the competitor, unaccompanied and unassisted, to music supplied by the competition committee / LOC. Programs should incorporate various elements of expressive movement and skating moves, to enhance the skater's interpretation of the music, rather than technical elements.

- The music will be played during a 30-minute off-ice session and twice during an on-ice warm-up prior to the performance.
  - The room will be attended only by the adult monitor assigned to play the music and the competing skaters in that group.
- **Skaters after the warm up will go back to a room, with no music being played.**
- Skaters will be brought to the ice when the previous skater finishes.
- All competitors in an event will interpret the same music.
- Props are permitted but must be brought into the room prior to listening to the music, and be taken to the ice only when the skater is called to perform. Props may not be pre-positioned on the performance surface.

Current guidelines and procedures for non-qualifying showcase competitions can be found at [www.usfigureskating.org](http://www.usfigureskating.org), under "Programs" on the National Showcase page.
