- Learning how to do transitions and skate to music.
- Learning skills that will be the foundation for higher levels.

### Restrictions in Beginner 1 & 2:

- Additional elements are not allowed (the team must do only their required elements).
- Teams may only use hand-to-hand, shoulder-to-shoulder and choo-choo holds.
- Wheels and circles may not travel, change rotational direction or change configuration.
- Beginner 1 teams may not do steps higher than Basic 5, with the exception of forward chasses.
- Beginner 2 teams may not do steps higher than Free Skate 1, with the exception of forward chasses.

### **Restrictions in Beginner 3:**

-No traveling within elements (change of configuration and rotational direction are allowed).

Restrictions in all levels: All of the synchronized skating "illegal elements" found in Rule #7160 of the U.S. Figure Skating Rulebook

### **ARTISTIC/SHOWCASE EVENTS:**

Artistic/Showcase events are open to skaters in Basic, Free Skate, Limited Beginner through Preliminary and Adult Bronze. Groups will be divided by number of entries and ages if possible. Skaters must enter at the same level as their free skate event or highest test level of skater's in the group ensemble or production number. If a free skate event is not being entered, skaters must enter at their current test level or one level higher. Vocal music is permitted. Skaters will be judged on musical interpretation and feeling, expression, and how the skating relates to the music. Show costumes are permitted, as long as they do not touch or drag on the ice. Props and scenery must be placed and removed by unaided singles and duet competitors within one minute and by unaided ensemble contestants within two minutes for setup and two minutes for removal. 6.0 Judging will be used. Deductions will be made for skaters including technical elements not permitted in the event description
