2015 High School Final

April 17-19, 2015

Strongsville, Ohio

Hosted by Greater Cleveland Council

The 2015 High School Final competition is a pilot event through the U.S. Figure Skating Program Development Committee. High School skating encourages student-athletes to continue to compete in figure skating through their high school years. Further, it provides them an opportunity to compete in their sport on a recognized team for their school.

Teams will consist of at least two skaters and must be registered as a U.S. Figure Skating School Affiliated Club (SAC). Begin forming your High School team now and get started on registering your team with U.S. Figure Skating! Refer to usfigureskating.org, click on the programs tab and visit the Resources Box on the High School Programs page for more information on forming a team.

2015 High School Final Competition will offer the following events:
