

The Roman Centurion

April 2, 2017 | Mike DeVuyst | #FCCvantagepoint

What roles did a centurion hold in the Roman world?

What observations do you make from the centurion's vantage point?

What positions of authority or influence do you hold?
How do you exercise that authority or influence?

Consider these questions for personal reflection this week ...

> How do you respond to God's authority in your life?

> How are you representing Jesus and his kingdom to those around you?

Miss Something? That's okay!!
