INFORMATION REGARDING COACHES:

U.S. Figure Skating Rule MR 5.11 Coach Compliance

In order to be granted access to work within U.S. Figure Skating sanctioned activities, each coach must complete the following requirements on an annual basis by July 1:

- A. Must be a current full member of U.S. Figure Skating - either through a member club or as an individual member;
- B. Must complete the coach registration process through the U.S. Figure Skating Members Only site, submit proper payment for the annual registration fee of \$30 and, if 18 years of age or older, successfully pass the background screen.

- D. Must submit proof of current general liability insurance with limits of \$1 million per occurrence/\$5 million aggregate.

For Basic Skills ONLY coaches - Any person, 18 and older, instructing in a U.S. Figure Skating Basic Skills Program must have successfully passed the annual background screen and be registered as a Basic Skills instructor member.

The local organizing committee/club will have a list of compliant coaches who are cleared for a credential at the competition. Coaches will need to check in at the event registration desk and show a government issued photo I.D. to receive a credential.

If a coach cannot provide a photo I.D. and is not on the list or cannot produce the necessary documents, he or she will not be allowed a credential – no exceptions. We strongly urge *all* coaches to have their cards with them. Non-credentialed coaches will not be permitted in the designated coaching area at rink side during events including practice sessions. Coaching at U.S. Figure Skating events without compliance is an ethics violation which is reported to U.S. Figure Skating and PSA.

EVENT: SHOWCASE EVENTS – Interpretive Events

Format: Interpretive is a performance choreographed by the competitor, unaccompanied and unassisted, to music supplied by the competition committee / LOC. Programs should incorporate various elements of expressive movement and skating moves, to enhance the skater's interpretation of the music, rather than technical elements.

- The music will be played continuously during a 30-minute off-ice session in a room and twice during an on-ice warm-up prior to the performance.
 - The room will be attended only by the adult monitor assigned to play the music and the competing skaters in that group.
- **After the warm up, skaters will go back to a room, with no music being played.**
- Skaters will be brought to the ice when the previous skater finishes.
- All competitors in an event will interpret the same music.
- Props are permitted but must be brought into the room prior to listening to the music, and be taken to the ice only when the skater is called to perform. Props may not be pre-positioned on the performance surface.

The skater will perform the two pattern dances listed for their level, based upon the date of the competition. If the competition falls over two quarters (for example, June 30th – July 2nd), the dance will be selected based on the start date of the competition listed in the announcement (in this example, the 2nd quarter).
4. Skaters will complete both of the dances at each level. Dances will be scheduled at the discretion of the Chief Referee for each competition and may be competed consecutively or with a break in-between pattern dances groupings.
