Competition Information

ENDORSEMENT: The Black Hills Gold Rush Competition is a Compete USA Competition hosted by the Black Hills Skating Academy. The purpose of this Basic Skills competition is to promote a FUN, introductory, competitive experience for the beginning skater.

The competition is open to ALL skaters who are current eligible (ER 1.00) members of either the Learn to Skate USA program and those who are full members of U.S. Figure Skating. Members of other organizations are eligible to compete but must be registered with Learn to Skate USA or a member club. There will be no more than six competitors maximum in an event and all six should receive an award.

Eligibility and Test Requirements:

Eligibility will be based on skill level as of closing date of entries. All **Snowplow Sam and Basic Skills 1-6** skaters must skate at highest level passed or one level higher and NO official U.S. Figure Skating tests may have been passed, including Moves in the Field or individual dances.

For the **Pre-Free Skate, Free Skate 1-6, Test Track and Well Balanced levels**, eligibility will be based only upon highest free skate test level passed (Moves in the Field test level will not determine skater's competitive level). Skaters may skate at highest level passed OR one level higher, but not both levels in the same event during the same competition. Skaters may not compete at more than one level in the same type event at the same competition.

It is very important to the success of the competition that skaters are placed in the correct divisions. If, for whatever reason, the Local Organizing Committee discovers that a skater has been placed in a category that is below his/her class level, the chairman and referee will have the option to move the skater into the proper division, even if this has to be done the day of the competition. This will ensure that every event is as fair as possible to the competitors. It is an ethical violation for coaches to sandbag an event.

6.0 Judging to be used for all events!

REGISTRATION: The registration desk is located in the lobby and will be open during competition events. Skaters are required to check in between 8:00AM and 9:00 AM on February 17th. Schedules will be sent out in e-mail as soon as they are available. Any late changes in the schedule will be posted in the registration area and shall be considered sufficient notice to all participants.

PRACTICE ICE: Practice ice will be available on Friday, February 16th for out of town competitors at 5:00 PM and on Saturday morning before the competition. **Practice ice** will be available at a charge of **\$8 per person per session**. Practice ice must be purchased in advance with registration. There will be a 4 minute warm-up before each event.

AWARDS: Medals will be given for first through sixth place in every event, in the award reception area. All awards will be distributed immediately following the final result posting of each event.

MUSIC: CD is the required form of music and **MUST** be turned in at the time of registration. No CD –RW's. Please be sure they are properly labeled with your name and event. CDs should have no more than a three second lead-in. A SPARE CD MUST ALSO BE AVAILABLE FOR USE DURING PRACTICE SESSIONS AND AS A BACK-UP DURING COMPETITION. CDs must contain only one piece of music. The music committee will take every precaution to safeguard CDs but will not be responsible for music forgotten after practice ice or after the event. If music is left after the event, it will be held for two weeks and then discarded. Please contact Patty Behnke by email at pebbles5713@yahoo.com or by phone at (605) 390-3079 to make arrangements for return of music.

ENTRY FEES: First Event \$35.00, Additional Events (per event) \$15.00

LATE FEE: If registration is received after January 22, there will be a \$50 late fee. Registrations will no longer be accepted after February 1, 2018.

***Entry deadline is January 22nd, 2017**

EVENT: SHOWCASE

Showcase events are open to skaters in Basic, Free Skate, Limited Beginner through Preliminary and Adult Bronze. Groups will be divided by number of entries and ages if possible. Skaters must enter at the same level as their free skate event or highest test level of skater's in the group ensemble or production number. If a free skate event is not being entered, skaters must enter at their current test level or one level higher. Vocal music is permitted.

Show costumes are permitted, as long as they do not touch or drag on the ice. Props and scenery must be placed and removed by unaided singles and duet competitors within one minute and by unaided ensemble contestants within two minutes for setup and two minutes for removal. A 0.2 deduction will be assessed by the referee against each judge's mark for each five seconds in excess of the time allowed for the performance, for handling props and scenery and for scenery assistance.

Performances will be judged from an entertainment standpoint, for theatrical qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements. Unintended falls, poorly executed skating elements and obvious losses of control will reduce contestant's marks. Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence. Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form/extension and the use of props and ice.

6.0 Judging will be used. Deductions will be made for skaters including technical elements not permitted in the event description.

* For specific guidelines regarding the conduct of Showcase competitions, refer to the Nonqualifying Showcase Guidelines posted on www.usfigureskating.org.

- Levels can be subdivided, if necessary, depending on entry numbers and event set up
- Dramatic entertainment: Showcase program utilizing intense emotional skating quality to depict choreographic theme.

Following the warm-up, all skaters except for the first skater will be escorted to a soundproof locker room or another area of the arena. The first skater will hear the music one more time and then perform a program to the music. As each skater performs, the next skater in line will be allowed to hear the music for the third time before they perform to the music. The listening skater will not be allowed to view the performing skater.
