ELIGIBILITY RULES FOR PARTICIPANTS

The competition is open to ALL skaters who are current eligible (ER 1.00) members of either the Learn to Skate USA program and those who are full members of U.S. Figure Skating. To be eligible, skaters must have submitted a membership application or be a member in good standing. Members of other organizations are eligible to compete but must be registered with Learn to Skate USA or a member club. There will be no more than six competitors maximum in an event and all six should receive an award.

Eligibility and Test Requirements:

Eligibility will be based on skill level as of closing date of entries. All **Snowplow Sam and Basic Skills 1-6** skaters must skate at highest level passed or one level higher and NO official U.S. Figure Skating tests may have been passed, including Moves in the Field or individual dances. For example, if you are taking the Basic 3 class during the time that you turn in your competition registration form, then you would register to compete in the Basic 2 level (the highest level that you passed) or you can choose to "skate up" and compete at the Basic 3 level.

For the **Pre-free skate, free skate 1-6, test track and Well Balanced levels**, eligibility will be based only upon highest free skate test level passed (Moves in the Field test level will not determine skater's competitive level). Skaters may skate at highest level passed OR one level higher, but not both levels in the same event during the same competition. Skaters may not compete at more than one level in the same type event at the same competition.

ENTRIES AND FEES

- **\$45.00 for the first event**
- **\$15.00 for each additional event**
- All entries must be registered no later than **April 14, 2018**. Late entries will be accepted only if the limit has not been reached, at the discretion of the organizers and will be subject to a **\$20 late fee**.
- **NO refunds after closing date** unless event is canceled by Fond du Lac FSC or with a written medical excuse from your physician.

AWARDS – Results will be posted in the lobby area after skaters have skated their event. It may take anywhere from 5-20 minutes to post the results. Everyone will receive an award. All events will be final rounds. ALL awards will be made at appropriate times throughout the competition.

SCHEDULE OF EVENTS – Skaters names and event times will be posted on the Fond du Lac FSC web-site, www.FDLfigureskating.com one week prior to competition. All skaters should arrive at the rink 45 minutes prior to their scheduled event. All competitors must check in at the registration desk, which will be located in the lobby area.

PRACTICE ICE - Practice ice will be available first come first served basis Sunday morning. Practice ice will be sold for \$6 per 20 min. A maximum of 20 skaters will be allowed on the ice during any one session. You may sign up for **NO MORE THAN TWO SESSIONS**.

MUSIC - The music for all free skating programs must be provided on CD's by the skater. CD's should be clearly marked with the name of the skater, event entered and length of music (not skating time). Only one piece of music per CD. Competition music is to be turned in at the time of registration. Please remember to pick up your music, FDLFSC will not return any music left at the rink. Time duration is always +/- 10 seconds.

Note: This is a Compete USA Competition set up under the guidelines of the 2018 Compete USA Competition Manual. Judges **WILL NOT** be Official U.S. Figure Skating Judges.

The Competition may use qualified skaters and/or instructors who are 16 years of age or older and/or persons who are trial judging for appointments. This should be an unbiased group. See 2018 Compete USA Competition Manual.

Mission Statement: To give Wisconsin skaters a chance to develop their USFS Basic Skills in a fun, competitive environment.

Skaters will have the chance to compete at twelve different clubs & arenas and earn points for a final standing. Awards will be presented to skaters with the highest point totals when they compete in at least two out of the twelve scheduled events. Skaters' point accumulation can be found at www.fscouncilwisconsin.org. Medals will be awarded at the final competition in the Series.

Series Point System

The Freeskating and Compulsory/Elements events in each of the Series Competitions will be eligible for accumulating points. Each event will have a maximum of 6 skaters. The system for scoring points for the final award will be as follows:

Place	Points
1	6
2	5
3	4
4	3
5	2
6	1

If an event has 2-6 skaters, the points will be awarded as if 6 skaters were in the group. If only one skater is in the group, that skater will be awarded 3 points. Points are accumulated for Compulsory and Freeskate events separately.

A skater may participate in either the element/compulsory events and/or freeskating events in any Wisconsin Compete USA Series to be eligible for accumulating points.

All skaters who participate in at least 2 of the 12 competitions in the following events:

- Basic Elements
- Basic Program with Music

TEAM Elements

Format:

The designated skater from each team will perform their chosen element in sequence on full ice, with no music, and will follow this format:

1. Minimum of three skaters on a team; each skater will do at least one required element.
2. When the event is called, all skaters will take the ice for a two (2) minute STROKING ONLY warm-up.
3. This will be followed by a one (1) minute individual warm-up for the elements.
4. Teams will be directed to find a “base” for their team along the boards on the ice where they will stay for the remainder of the event.
5. The announcer, referee or judge-in-charge will call the first element (e.g. jump or stop) to be performed.
6. The team member performing the element will step forward and execute the skill, with the element first being performed by the skater on team one, then team two, then team three and so on
7. Once all the teams have had their skaters complete the element, the next element will be called.
8. Judging is done with one mark for each element (skater) for total team points.
9. Repeat #4-7 above as this will be done in sequence until all the elements at each level are completed.

EVENT: SHOWCASE

Showcase events are open to skaters in Basic, Free Skate, Limited Beginner through Preliminary and Adult Bronze. Groups will be divided by number of entries and ages if possible. Skaters must enter at the same level as their free skate event or highest test level of skater's in the group ensemble or production number. If a free skate event is not being entered, skaters must enter at their current test level or one level higher. Vocal music is permitted.

Show costumes are permitted, as long as they do not touch or drag on the ice. Props and scenery must be placed and removed by unaided singles and duet competitors within one minute and by unaided ensemble contestants within two minutes for setup and two minutes for removal. A 0.2 deduction will be assessed by the referee against each judge's mark for each five seconds in excess of the time allowed for the performance, for handling props and scenery and for scenery assistance.

Performances will be judged from an entertainment standpoint, for theatrical qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements. Unintended falls, poorly executed skating elements and obvious losses of control will reduce contestant's marks. Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence. Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form/extension and the use of props and ice.

6.0 Judging will be used. Deductions will be made for skaters including technical elements not permitted in the event description.

* For specific guidelines regarding the conduct of Showcase or Artistic competitions, refer to the Nonqualifying Showcase Guidelines posted on www.usfigureskating.org.
