EVENT: SURVIVOR

Please Note: The registration fee for this event is \$20.00 no matter how many events a skater has entered.

Skaters in each level will compete to see who can hold the longest spiral, spin, and landing position. An overall winner will be determined at each level by adding “duration of spiral in seconds” + “duration of spin in seconds” + “duration of landing position in seconds”. The skater with the highest total wins. Boys may compete against girls in this event. Coaching from the sidelines will be permitted during this event.

Spirals will be skated one at a time and will be timed by two officials with stopwatches. Timing will begin when the free leg reaches a parallel position and will stop when it falls below parallel. No change of foot is allowed. No catch foot is allowed. Proper edge must be maintained in levels pre-juvenile through senior or no credit will be given for the spiral. The official time will be the average of the two officials' recorded times.

Spins will be skated one at a time. Any spin, including combination spins with one change of foot are allowed. Timing of the spin will begin when the skater steps on the spinning foot and will end when the skater falls or steps out of the spin, in the manner as described above.

Jumps will be skated one at a time. Jumps will be timed beginning at the attainment of an acceptable landing position and will stop when the landing position breaks. The official time will be determined by the method described above. A fall results in a time of zero seconds. No retries will be allowed.
