Awards:

All skaters will receive an award. Individual awards will be given after the posting of the results of each event.

Music:

Online music submission is the ONLY acceptable method to submit program music. After you have paid for your events, the system will prompt you to upload your music for each event that requires music. If your music is not available at that time, you can logout of your account and return later to upload your music by going to the “Competition” tab and then selecting “My Music.” Please be sure you are uploading the correct music for the correct event segment.

Deadline for uploading music is Saturday, April 28, 2018.

The uploaded program music MUST conform to the following specifications:

- Programs per file: One [1] – Only one piece of competition program music (e.g. Free Skate) per file is allowed.

- File Format: mp3 – The uploaded file music must be an mp3 file (MPEG-1 or MPEG-2 Audio Layer III). Simply changing the file extension to “mp3” from another file format is not acceptable.
- Bit Rate: 192 kbps is requested (bit rates between 128 and 320 kbps will be accepted).
- Maximum file size: 10 MB
- Maximum run time: Five [5] minutes
- ID3 Metadata [tags]: None – The Chief Music Coordinator strongly recommends that mp3 files DO NOT contain any ID3 metadata, commonly called tags. This is especially true of any embedded images such as album cover art, picture of the skater, etc. Please, NO EMBEDDED IMAGES!
- Maximum leader: Two [2] seconds – The leader is the silence between the start of the track and the actual start of the program music. The Chief Music Coordinator recommends that there be NO leader.
- Maximum trailer: Two [2] seconds – The trailer is the silence between the end of the program music and the end of the actual track. The Chief Music Coordinator recommends that there be NO trailer.

Backup Music at Event (CDs):

In addition to submitting the music online, all competitors/teams must also have at least one [1] backup copy of their competition music on CD, AT RINKSIDE, during the actual competition event or official practice. CDs must meet the following requirements:

- In standard Audio CD format (Compact Disc Digital Audio). Other formats, including mp3 are NOT acceptable.
- Lead in time (time before the music begins) on CDs may not exceed two [2] seconds.
- Due to the compatibility and reliability reasons, music may NOT be submitted on re-recordable “CD-RW” discs. PLEASE, no CD-RWs!

The organizing committee, competition officials, and volunteers exercise reasonable care when handling CDs. However, they are not responsible for damage to or loss of any CDs. They will not be responsible for CDs not picked up by the end of the competition. Those CDs will be destroyed.

Penalty for Incorrect Music or Failure to Upload Music:

The organizing committee will assess each competitor an additional charge of \$10 per event segment if the competitor: 1) fails to submit their music prior to the close of online music submission, 2) submits files that do not follow the specifications above, or 3) uploads the incorrect music for a given event segment (e.g. uploads short program music instead of the free skate). The competitor will not receive their credentials at registration until they pay the penalty fee and turn in the music on CD, conforming to the requirements above.

Entry Verification/Coach Approval/Entry Change Fee:

The information on the entry must be accurate and complete. Coaches must either approve the entries that have been entered or send back a message correcting the entry prior to Wednesday, April 18, 2018. There will be no charge for any changes that are necessary prior to this deadline. There will be a \$10 fee for any changes made to your original entry form after Wednesday, April 18, 2018.

Judging:

The 6.0 Majority Judging System will be used for all events.

Rink Size:

Ice surface is 185' by 85' with rounded corners.

Photography/Videography:

Videos and action photography will be available for purchase from a professional video and photography company. The competition committee reserves the right to restrict personal videotaping to your skater only. Personal cameras will be permitted in the bleachers only and may not be plugged into arena outlets. Videotaping for personal profit is not allowed.

SHOWCASE EVENTS

Showcase events are open to skaters in Basic, Free Skate, Limited Beginner through Preliminary and Adult Bronze. Groups will be divided by number of entries and ages if possible. Skaters must enter at the same level as their free skate event or highest test level of skater's in the group ensemble or production number. If a free skate event is not being entered, skaters must enter at their current test level or one level higher. Vocal music is permitted.

Show costumes are permitted, as long as they do not touch or drag on the ice. Props and scenery must be placed and removed by unaided singles and duet competitors within one minute and by unaided ensemble contestants within two minutes for setup and two minutes for removal. A 0.2 deduction will be assessed by the referee against each judge's mark for each five seconds in excess of the time allowed for the performance, for handling props and scenery and for scenery assistance.

Performances will be judged from an entertainment standpoint, for theatrical qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements. Unintended falls, poorly executed skating elements and obvious losses of control will reduce contestant's marks. Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence. Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form/extension and the use of props and ice.

6.0 Judging will be used. Deductions will be made for skaters including technical elements not permitted in the event description.

* For specific guidelines regarding the conduct of Showcase competitions, refer to the Nonqualifying Showcase Guidelines posted on www.usfigureskating.org.

Showcase categories may include:

- Levels can be subdivided, if necessary, depending on entry numbers and event set up
- Dramatic entertainment: Showcase program utilizing intense emotional skating quality to depict choreographic theme.
- Light entertainment: Showcase program emphasizing such choreographic expressive qualities such as comedy, love and mime while incorporating skating skills.
