INFORMATION REGARDING COACHES:

U.S. Figure Skating Rule MR 5.11 Coach Compliance

In order to be granted access to work within U.S. Figure Skating sanctioned activities, each coach must complete the following requirements on an annual basis by July 1:

A. Must be a current full member of U.S. Figure Skating - either through a member club or as an individual member;

B. Must complete the coach registration process through the U.S. Figure Skating Members Only site, submit proper payment for the annual registration fee of \$30 and, if 18 years of age or older, successfully pass the background screen.

C. Must complete the appropriate CER courses (A,B, C or D) depending on the highest level of students being coached as of July 1. See rule MR 5.12.

D. Must submit proof of current general liability insurance with limits of \$1 million per occurrence/\$5 million aggregate.

The local organizing committee/club will have a list of compliant coaches who are cleared for a credential at the competition. Coaches will need to check in at the event registration desk and show a government issued photo I.D. to receive a credential.

If a coach cannot provide a photo I.D. and is not on the list or cannot produce the necessary documents, he or she will not be allowed a credential – no exceptions. We strongly urge *all* coaches to have their cards with them. Non-credentialed coaches will not be permitted in the designated coaching area at rink side during events including practice sessions. Coaching at U.S. Figure Skating events without compliance is an ethics violation which is reported to U.S. Figure Skating and PSA.

Adult Competition Series:

This competition is participating in the inaugural season of the **Adult Competition Series**. The Adult Competition Series was developed to provide a series of events for Adult 1 through Adult Bronze levels. Skaters will accumulate points based upon placement in the Free Skate and Compulsory Moves events.

Skaters must compete in **both** the compulsory moves and the free skate event in at least two participating competitions during the Series season with one of the competitions being the Nonqualifying competition associated to the Adult Sectional Championships **in their home section**; however only the skater's best **three** point finishes (calculated by adding the points from the compulsory moves event and the free skate event together and in case there are multiple events with the same point total, the events with the better tie-breaker results will be counted) will be used towards their total point accumulation to determine the final Adult Competition Series winners in each section.

Skaters must be registered (\$20 fee) with USFSA for the Adult Competition Series before participating at DBNAI to have their points earned collected. Please review the 2018-2019 Adult Competition Series Handbook for the complete list of rules and to **register for the series** at <http://usfigureskating.org/story?id=90613&menu=adultskating>
