**Awards:**

All skaters will receive an award. Individual awards will be given after the posting of the results of each event.

**Music:**

Online music submission is the ONLY acceptable method to submit program music. After you have paid for your events, the system will prompt you to upload your music for each event that requires music. If your music is not available at that time, you can logout of your account and return later to upload your music by going to the "Competition" tab and then selecting "My Music." Please be sure you are uploading the correct music for the correct event segment.

Deadline for uploading music is Saturday, April 13, 2019.

The uploaded program music MUST conform to the following specifications:

- Programs per file: One [1] – Only one piece of competition program music (e.g. Free Skate) per file is allowed.
- File Format: mp3 – The uploaded file music must be an mp3 file (MPEG-1 or MPEG-2 Audio Layer III). Simply changing the file extension to “mp3” from another file format is not acceptable.
- Bit Rate: 192 kbps is requested (bit rates between 128 and 320 kbps will be accepted).
- Maximum file size: 10 MB
- Maximum run time: Five [5] minutes
- ID3 Metadata [tags]: None – The Chief Music Coordinator strongly recommends that mp3 files DO NOT contain any ID3 metadata, commonly called tags. This is especially true of any embedded images such as album cover art, picture of the skater, etc. Please, NO EMBEDDED IMAGES!
- Maximum leader: Two [2] seconds – The leader is the silence between the start of the track and the actual start of the program music. The Chief Music Coordinator recommends that there be NO leader.
- Maximum trailer: Two [2] seconds – The trailer is the silence between the end of the program music and the end of the actual track. The Chief Music Coordinator recommends that there be NO trailer.

### **Backup Music at Event (CDs):**

In addition to submitting the music online, all competitors/teams must also have at least one [1] backup copy of their competition music on CD, AT RINKSIDE, during the actual competition event or official practice. CDs must meet the following requirements:

- In standard Audio CD format (Compact Disc Digital Audio). Other formats, including mp3 are NOT acceptable.
- Lead in time (time before the music begins) on CDs may not exceed two [2] seconds.
- Due to the compatibility and reliability reasons, music may NOT be submitted on re-recordable “CD-RW” discs. PLEASE, no CD-RWs!

The organizing committee, competition officials, and volunteers exercise reasonable care when handling CDs. However, they are not responsible for damage to or loss of any CDs. They will not be responsible for CDs not picked up by the end of the competition. Those CDs will be destroyed.

### **Penalty for Incorrect Music or Failure to Upload Music:**

The organizing committee will assess each competitor an additional charge of \$10 per event segment if the competitor: 1) fails to submit their music prior to the close of online music submission, 2) submits files that do not follow the specifications above, or 3) uploads the incorrect music for a given event segment (e.g. uploads short program music instead of the free skate). The competitor will not receive their credentials at registration until they pay the penalty fee and turn in the music on CD, conforming to the requirements above.

**Entry Verification/Coach Approval/Entry Change Fee:**

The information on the entry must be accurate and complete. Coaches must either approve the entries that have been entered or send back a message correcting the entry prior to Saturday, March 23, 2019. There will be no charge for any changes that are necessary prior to this deadline. There will be a \$10 fee for any changes made to your original entry form after Saturday, March 23, 2019.

**Judging:**

The 6.0 Majority Judging System will be used for all events.

**Rink Size:**

Ice surface is 185' by 85' with rounded corners.

**Photography/Videography:**

Videos and action photography will be available for purchase from a professional video and photography company. The competition committee reserves the right to restrict personal videotaping to your skater only. Personal cameras will be permitted in the bleachers only and may not be plugged into arena outlets. Videotaping for personal profit is not allowed.

**ELIGIBILITY RULES FOR PARTICIPANTS**

The competition is open to ALL skaters who are current eligible (ER 1.00) members of either the Learn to Skate USA program and/or are full members of U.S. Figure Skating. To be eligible, skaters must have submitted a membership application or be a member in good standing. ## SHOWCASE EVENTS

Showcase events are open to skaters in Basic, Free Skate, Limited Beginner through Preliminary and Adult Bronze. Groups will be divided by number of entries and ages if possible. Skaters must enter at the same level as their free skate event or highest test level of skater's in the group ensemble or production number. If a free skate event is not being entered, skaters must enter at their current test level or one level higher. Vocal music is permitted.

Show costumes are permitted, as long as they do not touch or drag on the ice. Costuming and make-up for showcase programs should enhance the feeling created by the performance, and reflect the meaning of the story or theme. Ornaments and hair accessories must be secure. No bobby pins, feathers, hair accessories, or anything else that may fall to the ice and be hazardous to the skaters are allowed. A 0.1 deduction will be taken. Props and scenery must be placed and removed by unaided singles and duet competitors within one minute on and off and by unaided ensemble contestants within two minutes for setup and two minutes for removal. A 0.1 deduction will be assessed by the referee against each judge's mark for each ten seconds in excess of the time allowed for the performance, for handling props and scenery and for scenery assistance.

Performances will be judged from an entertainment standpoint, for theatrical qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements. Unintended falls, poorly executed skating elements and obvious losses of control will reduce contestant's marks. Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence. Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form/extension and the use of props and ice.

6.0 Judging will be used. Deductions will be made for skaters including technical elements not permitted in the event description.

\* For specific guidelines regarding the conduct of Showcase competitions, refer to the Nonqualifying Showcase Guidelines posted on [www.usfigureskating.org](http://www.usfigureskating.org).

Showcase categories may include:

- Levels can be subdivided, if necessary, depending on entry numbers and event set up
- Dramatic entertainment: Programs should express intense emotional connection and investment in the music, choreography and theme concept through related skating movements, gestures and physical actions. The entire gamut of emotions may be expressed including intense joy and/or introspectiveness. Dramatic programs should not be depressing. Even if the emotion is sadness, there should be an enlivened feeling given to the audience.
- Light entertainment: Programs should express a carefree concept or storyline designed to uplift and entertain the audience through related skating movements, gestures and physical actions.
- Duets: Theatrical/artistic performances by any competitors.
- Mini production ensembles: Theatrical performances by three to seven competitors.
- Production ensembles: Theatrical performances by eight to 30 skaters. Theater On Ice teams are eligible as production ensembles. NOTE: Skaters may enter only one each duet, mini production or production event.

## **SYNCHRONIZED SKATING- SNOWPLOW SAM SYNCHRO, SYNCHRO SKILLS 1-3, PRELIMINARY**

**The emphasis of the Learn to Skate USA synchronized skating competition is on mastering the Synchro Skills of synchronized skating:**

- Unison of body alignment, and learning to guide with the head.
- Control of rotation in wheels and circles.
- Straight lines in lines, blocks and intersections.
- Learning how to transition within elements with ease and clarity.
- Incorporating skills from Basic 1-6, Pre-Free Skate and Free Skate 1-2 to strengthen skating skills.
- Learning skills that will be the foundation for higher levels.
- Demonstrate ability to recognize and skate to the tempo of the music.

In order to safely practice and compete at the various levels, it is strongly recommended that skaters have mastered the elements of the Learn to Skate USA level at which they are skating (see program requirements).

**Eligibility Rules:** All skaters on the team must either be full U.S. Figure Skating members or members of the Learn to Skate USA program. All Learn to Skate USA Synchronized Skating teams must be registered with U.S. Figure Skating and have a team number.

In order for the team to be eligible for Snowplow Sam Synchro or Synchro Skills 1-3 events, no skaters on the team may have passed higher than a preliminary test (moves in the field, freestyle or dance). The skater's test level is as of the competition entry deadline.

No skater may compete on multiple Learn to Skate USA synchronized skating teams.

**Age/Number of Skaters:** Varies based on the level. The ages for Learn to Skate USA synchronized skating teams are as of the preceding July 1. If the majority of the team is younger than the listed age, consider skating "up" to the level that best meets the skaters' skill levels.

Each Synchro Skills team may have between 8-16 skaters. A Snowplow Sam Synchro team may have between 5-12 skaters. Teams may have a maximum of four alternates listed on their roster, in addition to the maximum number permitted on the ice for their respective level.

**Costume Rules:** Learn to Skate USA synchronized skating teams should follow **Rule 7022 Clothing and Equipment** (U.S. Figure Skating Rulebook) when selecting their clothing for competition.

In order to safely practice and compete at the various levels, it is strongly recommended that skaters have mastered the elements of the Learn to Skate USA level at which they are skating. (See program requirements.) Props, scenery and theatrical makeup are not allowed.

**Eligibility Rules:** All skaters on the team must either be full U.S. Figure Skating members or members of Learn to Skate USA. It is strongly suggested that teams register with U.S. Figure Skating, but this is not required.

Members of other organizations are eligible to compete, but must be registered with a Learn to Skate USA program or as full members of U.S. Figure Skating.

In order for the team to be eligible for this event, no skaters on the team may have passed higher than the pre-preliminary Moves in the Field or adult pre-bronze test in any discipline.

**Age/Number of Skaters:** Skaters may not have reached 18 years of age as of September 1 of the current skating season. Teams should be comprised of 8 – 16 skaters.

**Program Duration:** Teams will skate a program to music of their choice (vocals are allowed) 1 ½ min. +/- 10 sec. There are no restrictions or requirements on music choice but each level has a different THEME, CHOREOGRAPHIC PROCESS and MOVEMENT or GESTURE (see program requirements).

**Judging Notes:** The main emphasis of each level is mastering the Learn to Skate USA of Theatre On Ice and showing control in the skating skills from the badge levels required. The focus is not difficulty, but the performance and expression of the three required elements.

When possible, judges should be selected from those who have participated in a U.S. Figure Skating or PSA seminar where Theatre On Ice has been discussed, or have some familiarity with the discipline of Theatre On Ice.
