At this competition, for each discipline the first 3 teams A, B, and C will enter the ice together and have a 1-minute STROKING-ONLY warmup. Then each element will have a short warmup before it starts. For each element, the A skater from a team will skate, then the B skater, then the C skater, if present. Then we move to the next team and repeat, except that we start the next element "one team down". After all teams have skated, they leave the ice and the next set of teams enter, and repeat the process.

Skating order proceeds "down one team" at each discipline, as indicated on the order list on the next page
