MISSION STATEMENT:

We promote a FUN, introductory, competitive experience for all participants.

Compete USA is designed to promote a positive competition experience at the grassroots level and increased skating participation while generating enthusiasm. Compete USA competitions incorporate skills from Learn to Skate USA and U.S. Figure Skating into a competitive format that can be easily and successfully conducted by registered Learn to Skate USA programs and U.S. Figure Skating member clubs or interclub.

The competition is open to any skater who is a current member of Learn to Skate USA or is a full member of U.S. Figure Skating. Non-members are eligible to register for competition but must be a registered Learn to Skate USA or U.S. Figure Skating member to compete. There should be no more than six competitors maximum in a group, and all six should receive an award.

Several references in this manual will be made to U.S. Figure Skating rules, which can be found in the official U.S. Figure Skating Rulebook.

The ideas presented in this manual are meant to assist you in designing and running your competition. Remember to keep the best interests of the skater in mind. Feel free to add additional events to enhance the success and enjoyment of your competition.

COVID-19 PRECAUTIONARY MEASURES AND RISK ASSESSMENTS

The Fond du Lac Figure Skating Club and the Blue Line Family Ice Center take the safety of our skaters and their families seriously. Please know that we will be following local and state guidelines in response to COVID-19 at the time of the competition.

ELIGIBILITY RULES FOR PARTICIPANTS

The competition is open to ALL skaters who are current members of either Learn to Skate USA and/or those who are full members of U.S. Figure Skating. Members of other organizations are eligible to compete but must be a current registered member of Learn to Skate USA or a full member of U.S. Figure Skating. There will be no more than six competitors maximum in an event, and all six should receive an award.

Eligibility and Test Requirements:

Eligibility will be based on skill level as of closing date of entries. All Snowplow Sam and Basic 1-6 skaters must skate at highest level passed or one level higher, and NO official U.S. Figure Skating tests may have been passed, including moves in the field or individual dances.

For the Pre-Free Skate, Free Skate 1-6, Excel, Well-balanced, Adult, and Adaptive levels, eligibility will be based only upon highest badge level or free skate test level passed. Skate United skaters have the option to compete in the standard track or Skate United badge levels; accommodations may be made upon request. Moves in the field test level will not determine a skater's competitive level. Skaters may skate at highest level passed OR one level higher but not both levels in the same event during the same competition.

It is very important to the success of the competition that skaters are placed in the correct divisions. If, for whatever reason, the local organizing committee (LOC) discovers that a skater has been placed in a category below his/her badge or test level, the chair and referee will have the option to move the skater into the proper level, even if it is the day of the competition. This will ensure that every event is as fair as possible to the competitors. It is an ethical violation for coaches to sandbag an event.

ENTRIES AND FEES

- **\$55.00 for the first event**
- **\$15.00 for each additional event**
- All entries must be registered no later than **April 4, 2022**. Late entries will be accepted only if the limit has not been reached, at the discretion of the organizers and will be subject to a **\$20 late fee**.
- **NO refunds after closing date** unless event is canceled by Fond du Lac FSC or with a written medical excuse from your physician.

AWARDS – Results will be posted in the lobby area after skaters have skated their event. It may take anywhere from 5-20 minutes to post the results. Everyone will receive an award. All events will be final rounds. ALL awards will be made at appropriate times throughout the competition.

SCHEDULE OF EVENTS – Skaters names and event times will be emailed one week prior to competition. All skaters should arrive at the rink 45 minutes prior to their scheduled event. All competitors must check in at the registration desk, which will be in the lobby area.

PRACTICE ICE - Practice ice will be available first come first served basis Sunday morning. Practice ice will be sold for \$5 per 20 min. A maximum of 20 skaters will be allowed on the ice during any one session.

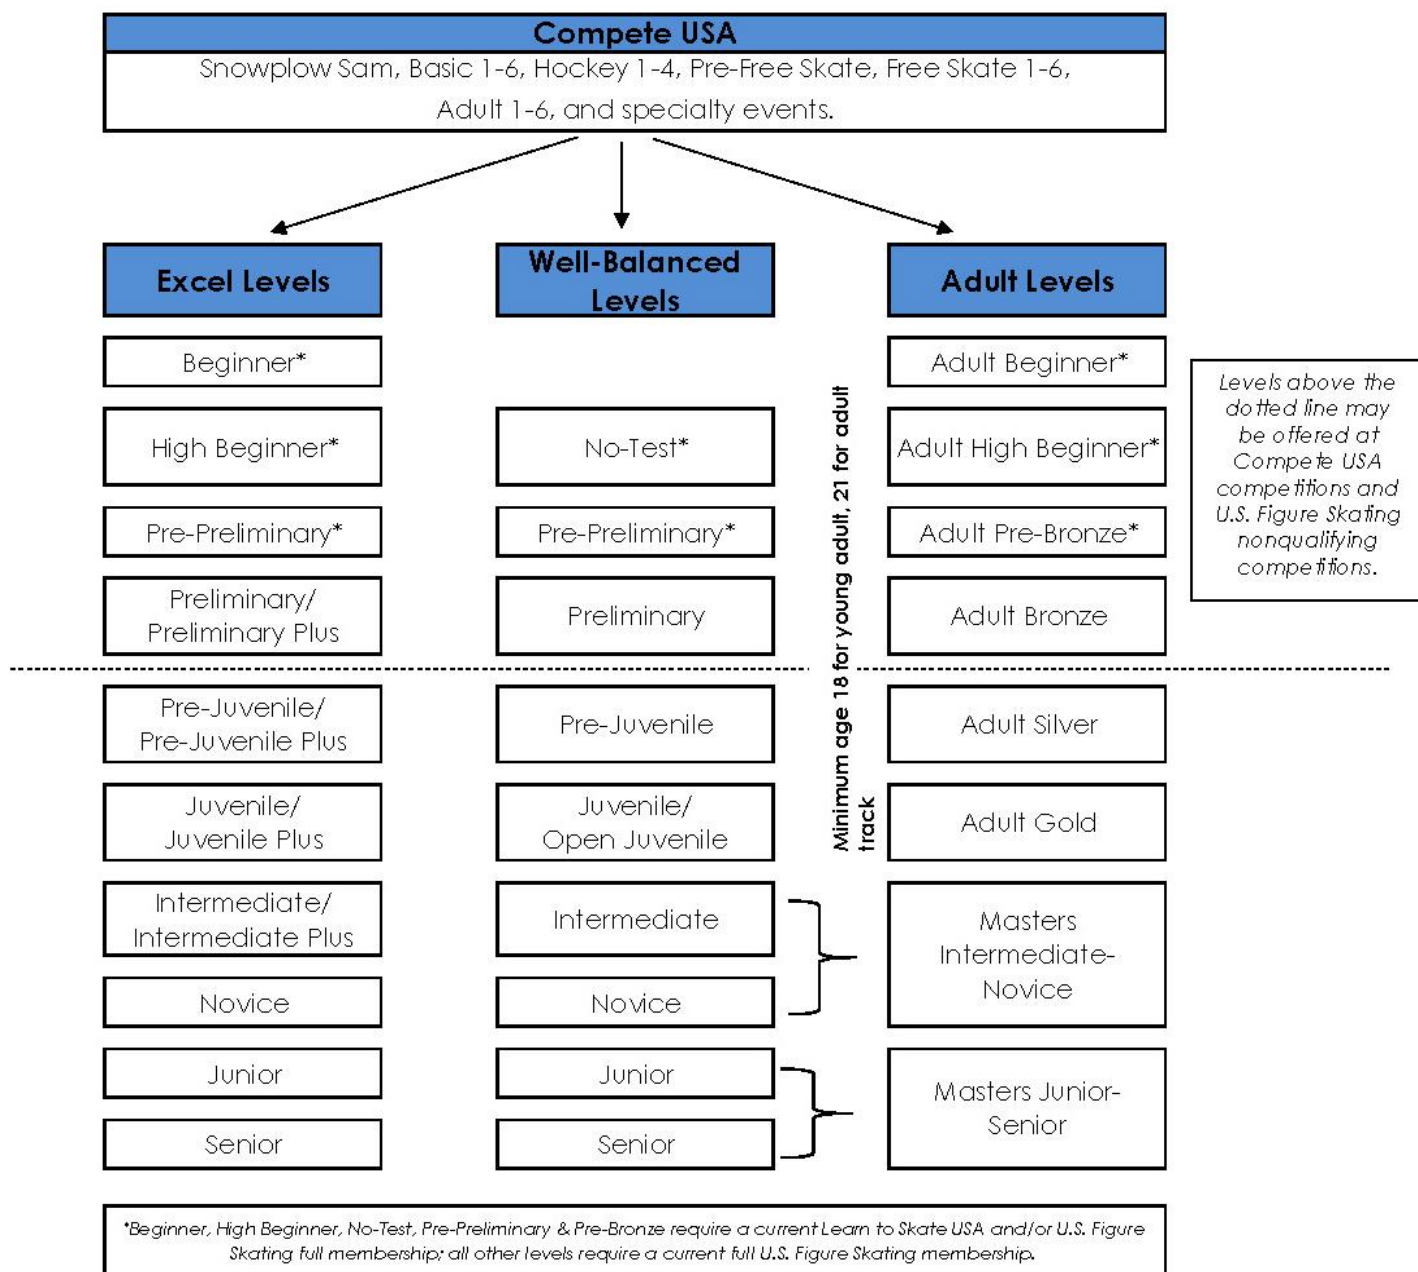

MUSIC - The music for all free skating programs must be provided on CDs by the skater. CDs should be clearly marked with the name of the skater, event entered and length of music (not skating time). Only one piece of music per CD. Competition music is to be turned in at the time of registration. Please remember to pick up your music, FDLFSC will not return any music left at the rink.

Note: This is a Compete USA Competition set up under the guidelines of the 2021-2022 Compete USA Competition Manual. Judges **WILL NOT** be Official U.S. Figure Skating Judges. *The Competition may use qualified skaters and/or instructors who are 16 years of age or older and/or persons who are trial judging for appointments. This should be an unbiased group. See 2021-2022 Compete USA*

COMPETITIVE PROGRESSION THROUGH THE LEVELS OF U.S. FIGURE SKATING

Singles athletes begin with Compete USA competitions. Once athletes begin the official U.S. Figure Skating test structure, they can choose to enter the Excel, Well-Balanced or Adult levels as appropriate for their ability, test level, and age. Test requirements are the same for the Excel and Well-Balanced levels. It is completely the choice of the athlete which track to follow; athletes may switch between tracks as best suits their development, but may not enter the same type of event in multiple tracks. Competitive level is determined by highest free skate test passed.

Snowplow Sam - Basic 6 Elements

THERE ARE TWO FORMAT OPTIONS FOR THE ELEMENTS EVENT:

1. Each skater will perform each element when directed by a judge/referee OR
2. Skater will perform one element at a time in the order listed below (no excessive connecting steps or choreography)

Showcase Events

Showcase events are open to skaters in the Basic, Free Skate, limited beginner, preliminary and adult bronze levels. Groups will be divided by number of entries and ages if possible. Skaters must enter at the same level as their free skate event or highest test level of skater's in the group ensemble or production number. If a free skate event is not being entered, skaters must enter at their current test level or one level higher.

Show costumes are permitted if they do not touch or drag on the ice. Costuming and make up for showcase programs should enhance the feeling created by the performance and reflect the meaning of the story or theme. Ornaments and hair accessories must be secure. No bobby pins, feathers, hair accessories or anything else that may fall to the ice and be hazardous to the skaters are allowed. (a 0.1 deduction will be taken). Props and scenery must be placed and removed by unaided singles and duet competitors within one minute on and off and by unaided ensemble contestants within two minutes for setup and two minutes for removal. A 0.1 deduction will be assessed by the referee against each judge's mark for every 10 seconds in excess of the time allowed for the performance, for handling props and scenery and for scenery assistance.

Performances will be judged from an entertainment standpoint for theatrical qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements. Unintended falls, poorly executed skating elements and obvious loss of control will reduce contestant's marks. Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence. Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form/extension and the use of props and ice. The 6.0 judging system will be used. Deductions will be made for skaters including technical elements not permitted in the event description.

** For specific guidelines regarding the conduct of showcase competitions, refer to the nonqualifying showcase guidelines posted on usfigureskating.org.*

Showcase categories may include:

- Levels can be subdivided or combined, if necessary, depending on entry numbers and event set up to ensure performances are contested as per the guidelines.
- Dramatic entertainment: Programs should express intense emotional connection and investment in the music, choreography and theme concept through related skating movements, gestures and physical actions. The entire gamut of emotions may be expressed including intense joy and/or introspectiveness. Dramatic programs should not be depressing. Even if the emotion is sadness, there should be an enlivened feeling given to the audience.
- Light entertainment: Programs should express a carefree concept or storyline designed to uplift and entertain the audience through related skating movements, gestures and physical actions.
- Duets/Trios: Theatrical/artistic performances by 2 to 3 skaters.
- Mini production ensembles: Theatrical performances by four to seven competitors.
- Production ensembles: Theatrical performances by eight to 30 skaters. Theatre On Ice teams are eligible as production ensembles. NOTE: Skaters may enter only one each duet, mini production or production event.
