PRECAUTIONARY MEASURES AND RISK ASSESSMENTS

With the COVID-19 pandemic, it is important to outline measures that will be taken at the competition. While these don't have to be specific, add a statement to the announcement that the competition will follow local and state guidelines current at the time of the competition. Include a communication plan to inform participants about specifics (i.e., mask required inside except when on ice, etc.) at least a week prior to the competition so they are prepared when coming to the rink.

U.S. Figure Skating recommends that hosts have a short (two-week) registration period once the application is published. This is helpful as skaters often register at the last minute, and the LOC won't have to process as many refunds if the competition date has to move or be canceled.

HERE ARE THE USFS GUIDELINES CURRENTLY IN EFFECT:

As of March 15, 2022, and consistent with updated CDC guidance on mask use, face coverings are no longer required to be worn indoors at U.S. Figure Skating-sanctioned events or activity if your community levels are Low or Medium. We do encourage masks to be worn indoors if your community is in the High category based on the [CDC Community Levels by County Map](#) as announced on Feb. 25. Sanctioned activities include competitions (U.S. Figure Skating and Compete USA), exhibitions/performances and test sessions.

EVENTS LISTED ON THIS PAGE ARE NOT ELIGIBLE FOR MICHIGAN BASIC SKILLS SERIES POINTS**Showcase Events**

Showcase events are open to skaters in the Basic, Free Skate, limited beginner, preliminary and adult bronze levels. Groups will be divided by number of entries and ages if possible. Skaters must enter at the same level as their free skate event or highest test level of skater's in the group ensemble or production number. If a free skate event is not being entered, skaters must enter at their current test level or one level higher.

Show costumes are permitted if they do not touch or drag on the ice. Costuming and make up for showcase programs should enhance the feeling created by the performance and reflect the meaning of the story or theme. Ornaments and hair accessories must be secure. No bobby pins, feathers, hair accessories or anything else that may fall to the ice and be hazardous to the skaters are allowed. (a 0.1 deduction will be taken). Props and scenery must be placed and removed by unaided singles and duet competitors within one minute on and off and by unaided ensemble contestants within two minutes for setup and two minutes for removal. A 0.1 deduction will be assessed by the referee against each judge's mark for every 10 seconds in excess of the time allowed for the performance, for handling props and scenery and for scenery assistance.

Performances will be judged from an entertainment standpoint for theatrical qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements. Unintended falls, poorly executed skating elements and obvious loss of control will reduce contestant's marks. Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence. Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form/extension and the use of props and ice. The 6.0 judging system will be used. Deductions will be made for skaters including technical elements not permitted in the event description.
