At this competition, for each level (A, B, C) all skaters that will actually skate at that level in any of the 3 disciplines may be at rinkside. No skaters not participating in that level are allowed at rinkside.

When the teams enter the ice at the start of each new LEVEL (ie events 1, 4, 7) there is a 2 minute stroking-only warmup for all participating skaters.

Then each element gets a 30-second warmup for all skaters participating in that element followed by skating of the elements. Competition moves directly from Jumps to Moves, to Spins with no additional warmups

Skating order proceeds "down one team" at each element

**Format will be re-evaluated after first round of competitions**
