Announcing the annual Compete USA Competition approved by Learn To Skate USA and hosted by the Rhineland Figure Skating Club at the Rhineland Ice Arena in Rhineland Wisconsin.

ELIGIBILITY:

The competition is open to ALL skaters who are current members of either the Learn to Skate USA program and/or are full members of U.S. Figure Skating. To be eligible, skaters must have submitted a membership application or be a member in good standing. Members of other organizations are eligible to compete but must be registered with Learn to Skate USA or a member club.

Eligibility will be based on skill level as of December 29, 2023. All **SNOWPLOW SAM AND BASIC 1-6** skaters must skate at the highest level passed or one level higher and NO official U.S. Figure Skating tests may have been passed including Moves in the Field or individual dances.

For the **ASPIRE 1-4 AND WELL BALANCED**, eligibility will be based only upon highest Free Skate test level passed. Moves in the Field test level will not determine skater's competitive level. Skaters may skate at the highest level passed OR one level higher, but not both levels in the same event during the same competition. Skaters may not compete at more than one level in the same type event at the same competition. It is very important to the success of the competition that skaters are placed in the correct divisions. If, for whatever reason, the Local Organizing Committee discovers that a skater has been placed in a category that is below his/her class level, the chairman and referee will have the option to move the skater into the proper division, even if this has to be done the day of the competition. This will ensure that every event is as fair as possible to the competitors.

COACH ELIGIBILITY:

For credentials at a Compete USA event, coaches/instructors are required to have: Learn to Skate USA instructor compliant OR U.S. Figure Skating coach compliant. If a coach/instructor attempts to work at your event without the proper credentials, he or she is in violation of U.S. Figure Skating ethics and code of conduct rules and, as such, is subject to disciplinary action.

All officials and adult volunteers attending Compete USA events must also be SafeSport Trained™

EVENT CATEGORIES:

The Hodag Skate Classic is a Compete USA competition so the event requirements from the Compete USA 2023-2024 (January 1 - June 30) manual will be used. These may differ from other non-compete USA competitions. Use this link (<https://www.usfigureskating.org/program-requirements>) to see each event describing the format, ice (full or half-ice), music allowed (type of music and time), required elements/moves, deductions, qualifications, and/or other special instructions. There will be no more than 6 skaters in any event. Each skater will receive an award.

Please note: At non-qualifying competitions, if only one eligible competitor/team enters an event, the competitor/team will be offered the option to skate an exhibition or skate up one level. A. If said competitor chooses to skate an exhibition, judges will award their marks according to the rules and the applicable scoring system used, and the competitor/team will receive first place. B. If said competitor chooses to compete at one level higher, the skater will be entered accordingly. C. If said competitor/team chooses not to skate, the entry fee will be refunded, and the event will be canceled.

JUDGING:

The events will be judged using the 6.0 judging system.
