Summer chill, sponsored by the Skating Club of Novi will be held at the Novi Ice Arena on August 2, 2025. The ice surface measures 200 by 85 feet. This is a United State Figure Skating approved Basic Skills Competition. The approvals will be posted on the official competition bulletin board. Questions regarding this competition should be direct to Laura Paredes at [scnskate@yahoo.com](mailto:scnskate@yahoo.com)

**Mission Statement** – The purpose of this competition is to promote a fun, introductory, competitive experience for the beginning skater.

**Eligibility** - The Competition is open to ALL skaters who are currently eligible [ER 100] members of either the Basic Skills Program and/or full members of US Figure Skating. To be eligible, a skater must have submitted a membership application or be a member in good standing. Members of other organizations are eligible to compete but must be registered with the host Basic Skills Program/Club or any other Basic Skills Program/Club. Eligibility will be based on skill level as of closing date of entries. All Snowplow Sam and Basic 1-6 skaters must skate at highest level passed or one level higher. NO official US Figure Skating tests may have been passed including MIF or individual dances. For the Aspire1-4, Excel, Well Balanced, and Adult levels eligibility will be based only upon highest free skate test level passed. Moves in the Field test level will not determine skater's competitive level. Skaters may skate at the highest level passed OR one level higher, but not both levels in the same event during the same competition. Skaters may not compete at more than one level in the same type of event at the same competition

**Rules** – The competition will be conducted under the rules set forth by the US Figure Skating Learn to Skate USA “Compete USA Competition Manual” program.

**Entry Fees** – The first event is \$60, each additional event after that is \$20. The deadline for entries is July 18<sup>th</sup>, or whenever the competition is full. Last year our competition filled up before the deadline, so please get your entries in asap when registration opens.

**NO PAPER ENTRIES OR CHECKES WILL BE ACCEPTED. Please use the online format on SK8stuff to sign up for the competition and the online link provided on sk8stuff to pay the fees.**

**Awards** – All competitors will receive a medal. All events are final rounds. ALL awards will be held at appropriate times throughout the competition. A podium will be available for group and individual photos.

**Registration** – The registration table will be open 1 hour before the competition begins. Skaters will not be allowed to compete until they have registered. ***Please register at least one hour before your competition time.***

**Schedule of Events** - Schedule will be posted on the Internet at the Figure Skater's Website – [www.sk8stuff.com](http://www.sk8stuff.com)

**Music** - A link to upload the music for programs will be supplied on [www.sk8stuff.com](http://www.sk8stuff.com). Please watch the website for the link. Best practice is to also have a back-up copy on your phone the day of the competition just in case.

**Practice Ice** – Practice ice will be available in 20 minutes sessions. You may register for practice ice when you pay for your event. You will then be assigned a session once the schedule is ready. Practice ice is \$15 per 20-minute increments if purchased ahead of time. ### **Showcase Events**

Skaters must enter at the same level as their free skate event or highest test level of skaters in the group ensemble or production number. If a free skating event is not being entered, skaters must enter at their current test level or one level higher.

Show costumes are permitted if they do not touch or drag on the ice. Costuming and make up for showcase programs should enhance the feeling created by the performance and reflect the meaning of the story or theme. Ornaments and hair accessories must be secure. No bobby pins, feathers, hair accessories or anything else that may fall to the ice and be hazardous to the skaters are allowed. (a 0.1 deduction will be taken). Props and scenery must be placed and removed by unaided singles and duet competitors within one minute on and off and by unaided ensemble contestants within two minutes for setup and two minutes for removal. A 0.1 deduction will be assessed by the referee against each judge's mark for every 10 seconds in excess of the time allowed for the performance, for handling props and scenery and for scenery assistance.

Performances will be judged from an entertainment standpoint for theatrical qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements. Unintended falls, poorly executed skating elements and obvious loss of control will reduce contestant's marks. Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence. Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form/extension and the use of props and ice. The 6.0 judging system will be used. Deductions will be made for skaters including technical elements not permitted in the event description.
